

UNITED STATES MARINE CORPS

III MARINE EXPEDITIONARY FORCE, FMF

UNIT 35601

FPO AP 96606-5601

ForO 6224.1

16

28 DEC 2001

FORCE ORDER 6224.1

From: Commanding General

To: Distribution List

Subj: ANNUAL SUMMARY RECORD OF TUBERCULOSIS SCREENING OF ACTIVE  
DUTY PERSONNEL REPORT

Ref: (a) BUMEDINST 6224.8

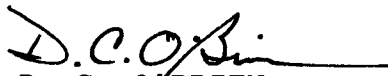

Encl: (1) Annual Summary Record of Tuberculosis Screening of  
Active Duty Personnel Report

1. Purpose. To provide instructions for preparing and submitting the Annual Summary Record of Tuberculosis Screening of Active Duty Personnel Report.

2. Requirements

a. Per the reference, all units in III MEF must submit the Annual Summary Record of Tuberculosis Screening of Active Duty Personnel Report as outlined in enclosure (1). This report covers the period 01 January through 31 December of each year.

b. A copy of this report must be submitted to the Preventive Medicine Office, G-4, Health Service Support Office, III Marine Expeditionary Force no later than 15 February of each year. The Preventive Medicine Office will generate a consolidated report for III MEF. This report will be forwarded to the Navy Environment and Preventive Medicine Unit Number Six in Pearl Harbor, Hawaii, and then to the Navy Environmental Health Center. The III MEF consolidated report will also be made available to III MEF units and commands.

  
D. C. O'BRIEN  
Chief of Staff

DISTRIBUTION: List I/II
